 DRAW IT

In John 14, Jesus promises to give his followers the Holy Spirit who will be with and in them. One way we can see the Holy Spirit is through the loving choices we make in following Christ. **Draw an example of that here.**

CONNECT^{the} DOTS

In Psalm 66, the Psalmist describes coming to God's house - the temple - to praise and give offerings of thanks. Connect the dots to form the temple. Inside, write or draw some things for which you want to praise God.
